PROFESSIONAL EXPERIENCE

Sales Agent | Eastlink

Charlottetown, PE | 01/2026 - Current

- Develop and maintain strong customer relationships to support sales growth and customer retention.
- Conduct product demonstrations and explain service features, benefits, and suitable options clearly.
- Address customer concerns promptly and provide tailored solutions to improve satisfaction.
- Analyze customer needs and service trends to identify opportunities for expanding service offerings.

Kitchen Manager | Tabali Grillz

Charlottetown, PE | 05/2025 - 06/2026

- Supervised daily kitchen operations, ensuring food quality, speed, cleanliness, and service standards were met.
- Managed inventory, placed supplier orders, reviewed invoices, and maintained cost control to avoid shortages.
- Created staff shift schedules to ensure strong coverage and efficient kitchen workflow.
- Monitored food temperatures and chemical levels to maintain health and safety compliance.
- Trained and supported kitchen staff, improving team performance and operational consistency.

Grader & Tutor | University of Prince Edward Island

Charlottetown, PE | 01/2025 - 05/2026

- Graded assignments and tests using course rubrics and quality standards.
- Improved student performance by providing constructive feedback on assignments and exams.
- Provided homework assistance using course-specific curriculum and learning materials.
- Supported students with study habits, technical concepts, and exam preparation strategies.

Software Development Intern | UPEI Library

Charlottetown, PE | 09/2025 - 04/2026

- Led development and client communication for the LCCN Harvester desktop application, automating retrieval of LCCNs and NLMCNs for large ISBN datasets.
- Served as Scrum Master, assigned tasks, coordinated progress, and facilitated client meetings to align deliverables with library needs.
- Contributed to frontend and backend development using Python, PyQt6, APIs, Z39.50, and JSON for ISBN lookup, file import/export, and multi-source retrieval.
- Performed end-to-end testing and validation to improve reliability across search, caching, and export workflows.

Systems Support Intern | WaseetCo

Amman, Jordan | 06/2025 - 09/2025

- Provided technical support for internal systems, helping identify, troubleshoot, and resolve day-to-day user issues.
- Assisted with system setup, software configuration, and basic maintenance to support smooth business operations.
- Documented recurring technical issues and solutions to improve support efficiency and knowledge sharing.
- Supported staff with technical guidance and clear communication, improving the user experience.

Kitchen Supervisor | Boston Pizza

Charlottetown, PE | 10/2023 - 09/2025

- Maintained consistent food quality through adherence to recipes, portion control, and presentation standards.
- Trained new hires on cooking techniques, equipment usage, procedures, and safety protocols.
- Reduced food waste by monitoring inventory levels and applying proper storage practices.

VOLUNTEER LEADERSHIP EXPERIENCE

Regional Team Lead | Islamic Relief Canada

Prince Edward Island | 05/2023 - Current

- Volunteer leadership role overseeing team operations, campaign planning, and humanitarian initiatives across Prince Edward Island.
- Promoted to Team Lead after serving as Volunteers Manager for two years.
- Led and coordinated a volunteer team of 80+ members across community fundraising, humanitarian campaigns, and student engagement events.
- Coordinate volunteer efforts, support team members, and guide execution of community campaigns and events.
- Represent Islamic Relief Canada in PEI while expanding community impact and strengthening partnerships.

President | UPEI Arab Society & UPEI IR Club

University of Prince Edward Island | 09/2023 - 05/2026

- Volunteer leadership role organizing cultural and humanitarian events that increased student engagement and community involvement.
- Organized and supported fundraising/community events serving 100+ attendees and strengthening campus partnerships.
- Managed club operations, led executive teams, and coordinated logistics, funding, outreach, and event delivery.
- Strengthened partnerships with campus and external organizations to support advocacy and fundraising initiatives.
